All professional photographers wishing to utilize the Marin Art and Garden Center (MAGC) property for private photo shoots must check in with MAGC staff at the main office prior to the shoot. A \$20 fee is required per day use of the grounds and shall be paid with a credit card (Visa or Mastercard), check or cash prior to the photo shoot or on the day of. Please note: the MAGC office is open Monday through Friday, 9 a.m. to 5 p.m. If the photo shoot takes place outside of these hours, payment must be received prior to the shoot.
